Description of the Issuer

G8 Education is a publicly listed operator of childcare and education centres. The company began in 2007 as Early Learning Services Limited, and merged in 2009 with Payce Child Care Pty Limited, becoming G8 Education Limited. Since the merger, G8 Education has established itself as a significant participant in the childcare and education sector with over 6,200 employees and over 21,000 licensed childcare places once the most recent acquisitions are complete.

Principal activities

G8 Education aims to be Australia’s leading provider of high quality developmental and educational childcare services. The principal continuing activities of G8 Education is the operation of childcare and education centres.

G8 Education intends to continue to acquire childcare businesses which meet operational and investment requirements.
Sector overview

The Australian childcare and education sector is characterised by strong demand, with key demand drivers for the sector being employment levels, the female participation rate, growth in the population of young Australians and real disposable household income. Improvements in all four of these metrics have been seen over the last five years in Australia.

Government supports the childcare sector through two key subsidies: the Child Care Rebate and the Child Care Benefit. The Child Care Rebate pays 50% of childcare costs up to a cap of A$7,500 per child, while the Child Care Benefit provides further support, subject to means testing.

According to IBISWorld, this assistance has helped drive industry growth over the five years through 2013-2014, with revenue for the childcare sector growing by an annualized 1.9 per cent. In 2013-2014, the industry is expected to generate revenue of $6.3 billion.

Goodstart Early Learning Ltd (ACN 139 967 794) is the largest not-for-profit provider of child care in Australia, operating over 650 centres. G8 Education is the second largest participant with approximately 4% market share. This low level of ownership concentration has enabled G8 Education to be highly selective in targeting potential businesses for acquisition.

Portfolio

G8 Education has consistently expanded to its portfolio of childcare centres through a highly disciplined and selective acquisition strategy. G8 Education operates a multi-brand strategy with brands, including Community Kids, World of Learning, Kindy Patch, Headstart Early Learning Centres and Early Learning Services.

(D) from the Issuer or a Guarantor to each other; and

(ii) where an amount equal to the net proceeds of the disposal is used within 180 days after such disposal to:

(A) purchase, acquire, develop, redevelop or construct productive assets for use by the Issuer or a Guarantor in its business; and/or

(B) prepay or repay any secured or unsecured Financial Indebtedness of the Issuer or a Guarantor.

(d) The Issuer:

(i) will ensure that, at all times, the consolidated total assets of the Issuer and the Guarantors (taken as a whole) are at least 90 per cent. of the consolidated total assets of the Group taken as a whole; or

(ii) agrees to cause such of its Subsidiaries to become a Guarantor pursuant to the Note Trust Deed to ensure that, at all times, the consolidated total assets of the Issuer and the Guarantors (taken as a whole) are at least 90 per cent. of the consolidated total assets of the Group taken as a whole.

5.3 Other covenants

(a) The Issuer will (and will ensure that each Guarantor will) do everything necessary to maintain its corporate existence.

(b) The Issuer will comply (and will ensure that each Guarantor complies) with all laws (including any laws relating to the environment) binding on it where a failure to comply would have a material adverse effect on the ability of the Issuer or a Guarantor (as the case may be) to comply with its obligations under the Notes or the Guarantee.

(c) The Issuer will provide the following to the Trustee not later than 45 days after each applicable Test Date a certificate signed by either two directors or a director and the company secretary of the Issuer which certifies whether, in the opinion of the directors and/or the company secretary of the Issuer (as appropriate) and after having made all reasonable enquiries, the Issuer has complied with each of the
covenants set out in Conditions 5.1 (“Negative pledge”), 5.2 (“Financial covenants”), 5.3(a) and 5.3(b) above. In the event the Issuer is not in compliance with any such covenant, such certificate will give reasonable detail of such non-compliance (including any relevant figures and calculations) and the steps being taken to remedy the same.

(d) At the request of the Trustee (acting either on its own discretion or upon receipt of a written request of a Noteholder) the Issuer will provide (at its own cost), any document or other information that the Trustee may reasonably request that is necessary or desirable to allow the Trustee or a Noteholder to determine whether or not the Issuer is in compliance with each of the covenants set out in Conditions 5.2 (“Financial covenants”), 5.3(a) and 5.3(b) above.

6 Title and transfer of Notes

6.1 Title

Title to Notes passes when details of the transfer are entered in the Register.

6.2 Transfer

Notes may only be transferred in accordance with these Conditions and the Note Trust Deed.

6.3 Transfers in whole

Notes may only be transferred in whole and not in part.

6.4 Estates

A person becoming entitled to a Note as a consequence of the death or bankruptcy of a Noteholder or of a vesting order or a person administering the estate of a Noteholder may, upon producing such evidence as to that entitlement or status as the Registrar considers sufficient, transfer the Note or, if so entitled, become registered as the holder of the Note.

6.5 Unincorporated associations

A transfer of a Note to an unincorporated association is not permitted.

6.6 Transfer of unidentified Notes

Where the transferor executes a transfer of less than all Notes registered in its name, and the specific Notes to be transferred are not identified, the Registrar may register the transfer in respect of such of the Notes registered in the name of the transferor as the Registrar thinks fit, provided the aggregate principal amount of all the Notes registered as having been transferred equals the aggregate principal amount of all the Notes expressed to be transferred in the transfer.

6.7 Compliance with law

Notes may only be transferred if:

(a) the aggregate consideration payable by each offeree is at least A$500,000 (or its equivalent in an alternative currency and, in each case, disregarding moneys lent by the offeror or its associates to the offeree or its associates) or if the offer or
invitation (including any resulting issue) otherwise does not require disclosure to investors under Part 6D.2 or Chapter 7 of the Corporations Act; and

(b) the offer or invitation (including any resulting issue) complies with all other applicable laws and directives in the jurisdiction in which the offer, invitation or issue takes place.

6.8 Restrictions on transfer
(a) Transfers of Notes which are not lodged in the Austraclear System cannot be made between a Record Date and the relevant following Payment Date if a redemption of such Note is to occur during, or at the end of, that period in accordance with these Conditions.

(b) Transfers of Notes will not be registered later than the close of business in the place where the Register is maintained on the eighth day prior to the Maturity Date of the applicable Notes.

7 Interest

Conditions 7.1, 7.2 and 7.3 apply to the Notes only if the Pricing Supplement states that they apply.

7.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date or, if redeemed earlier, the Optional Redemption Date, at the Interest Rate. Interest is payable in arrear on each Interest Payment Date or such other date on which a Note is redeemed.

7.2 Fixed Coupon Amount

The amount of interest payable on each Note on each scheduled Interest Payment Date in respect of the preceding Interest Period is the Fixed Coupon Amount unless interest is due on a date that is otherwise than a scheduled Interest Payment Date, in which case Condition 7.3 (“Calculation of interest payable”) shall apply to calculate the amount of interest payable for that period.

7.3 Calculation of interest payable

The amount of interest payable in respect of a Fixed Rate Note for any period which does not end on a scheduled Interest Payment Date shall be calculated by the Calculation Agent by multiplying the Interest Rate, the outstanding principal amount of the Fixed Rate Note and the applicable Day Count Fraction.

Conditions 7.4, 7.5, 7.6, 7.7 and 7.8 apply to the Notes only if the Pricing Supplement states that they apply.

7.4 Interest on Floating Rate Notes

Each Floating Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.
Interest is payable in arrear on each Interest Payment Date.

7.5 **Interest Rate determination**

The Interest Rate payable in respect of a Floating Rate Note must be determined by the Calculation Agent in accordance with these Conditions.

7.6 **Fallback Interest Rate**

Unless otherwise specified in the Pricing Supplement, if, in respect of an Interest Period, the Calculation Agent is unable to determine a rate in accordance with Condition 7.5 ("Interest Rate determination"), the Interest Rate for the Interest Period is the Interest Rate applicable to the Floating Rate Notes during the immediately preceding Interest Period.

7.7 **Bank Bill Rate Determination**

The Interest Rate applicable to the Floating Rate Notes for each Interest Period is the sum of the Margin and the Bank Bill Rate.

In this Condition:

(a) **Bank Bill Rate** means, for an Interest Period, the average mid rate for Bills having a tenor closest to the Interest Period as displayed at approximately 10:10am on the “BBSW” page (or any replacement page) of the Reuters Monitor System on the first day of that Interest Period.

However, if the average mid rate is not displayed by 10:30am on that day, or if it is displayed but the Issuer or the Calculation Agent determines that there is an obvious error in that rate, **Bank Bill Rate** means the rate determined by the Calculation Agent in good faith at approximately 10:30am on that day, having regard, to the extent possible, to the rates otherwise bid and offered for bank accepted Bills of that tenor at or around that time (including any displayed on the “BBSY” or “BBSW” page of the Reuters Monitor System). The rate must be expressed as a percentage per annum; and

(b) **Bill** has the meaning given in the Bills of Exchange Act 1909 of Australia and a reference to the acceptance of a Bill is to be interpreted in accordance with that Act.

7.8 **Interpolation**

(a) If the Pricing Supplement states that "Linear Interpolation" applies to an Interest Period, the Interest Rate for that Interest Period is determined through the use of straight line interpolation by reference to two Bank Bill Rates or other floating rates specified in the Pricing Supplement.

(b) The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).
The second rate must be determined as if the Interest Period were the period of
time for which rates are available next longer than the length of the Interest Period
(or any alternative Interest Period specified in the Pricing Supplement).

7.9 Notification of Interest Rate, interest payable and other items

(a) The Calculation Agent must notify the Issuer, the Registrar, the Noteholders, the
Trustee and each other Agent of the amount of interest calculated or determined by
it under Condition 7.3 (“Calculation of interest payable”).

(b) The Calculation Agent must give notice under this Condition as soon as practicable
after making its determination.

(c) The Calculation Agent may amend its determination of any amount, item or date (or
make appropriate alternative arrangements by way of adjustment) as a result of the
extension or reduction of the Interest Period or calculation period without prior
notice but must notify the Issuer, the Registrar, the Noteholders, the Trustee and
each other Agent of any such amendment.

7.10 Determination final

The determination by the Calculation Agent of all amounts, rates and dates falling to be
determined by it under these Conditions is, in the absence of fraud or manifest error, final
and binding on the Issuer, the Guarantors, the Registrar, each Noteholder, the Trustee and
each other Agent.

7.11 Rounding

For the purposes of any calculations required under these Conditions (unless otherwise
specified in the Pricing Supplement):

(a) all percentages resulting from the calculations must be rounded to the nearest one
hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded
up to 0.00001 per cent.);

(b) all figures must be rounded to five decimal places (with halves being rounded up);
and

(c) all amounts that are due and payable must be rounded (with halves being rounded
up) to one cent.

8 Redemption

8.1 Redemption on maturity

The Issuer agrees to redeem each Note on its Maturity Date at its outstanding principal
amount unless:

(a) the Note has been previously redeemed; or

(b) the Note has been purchased and cancelled.

8.2 Early redemption at the option of Noteholders (Noteholder put)

Upon the occurrence of a Change of Control, each Noteholder will have the right to require
the Issuer to redeem all or any part of such Notes at a redemption price equal to 101 per
The Issuer may redeem all or some of the Notes before their Maturity Date as follows:

(a) on the First Optional Redemption Date by payment of 103 per cent. of the outstanding principal amount of each Note being redeemed; and

(b) on the Second Optional Redemption Date by payment of 101.5 per cent. of the outstanding principal amount of each Note being redeemed.

However, the Issuer may only do so if:

(i) the amount of Notes to be redeemed is a whole multiple of their Denomination; and

(ii) the Issuer has given at least 30 days (and not more than 60 days) notice to the Registrar, the Trustee, the Noteholders and each other Agent.

8.4 Partial redemptions

If only some of the Notes are to be redeemed under Condition 8.3 (“Early redemption at the option of the Issuer (Issuer call)”), the Notes to be redeemed will be specified in the notice and selected:

(a) in a fair and reasonable manner; and

(b) in compliance with any applicable law, directive or requirement of any stock exchange or other relevant authority on which the Notes are listed.
8.5 Effect of notice of redemption

Any notice of redemption given under this Condition 8 ("Redemption") is irrevocable.

8.6 Late payment

If an amount payable is not paid under this Condition 8 ("Redemption") when due, then interest continues to accrue on the unpaid amount (both before and after any demand or judgment) at the default rate specified in the Pricing Supplement (or, if no default rate is specified, the last applicable Interest Rate) until the date on which payment is made to the Noteholder.

8.7 Purchase

The Issuer and any of its Related Bodies Corporate may at any time purchase Notes in the open market or otherwise and at any price. Notes purchased under this Condition 8.7 may be held, resold or cancelled at the discretion of the purchaser and (if the Notes are to be cancelled, the Issuer), subject to compliance with any applicable law or directive.

9 Payments

9.1 Payments to Noteholders

(a) Payments of principal will be made to each person registered in the Register at 10.00 am on the applicable Payment Date as the holder of a Note;

(b) Payment of interest shall be made to each person registered in the Register at close of business on the applicable Record Date as the holder of a Note.

9.2 Payments to accounts

Payments in respect of a Note will be made:

(a) if the Note is held in the Austraclear System, by crediting on the Payment Date, the amount due to:

   (i) the account of Austraclear (as the Noteholder) previously notified to the Issuer and the Registrar; or

   (ii) if requested by Austraclear, the accounts of the persons in Australia in whose Security Record (as defined in the Austraclear Regulations) a Note is recorded as previously notified by Austraclear to the Issuer and the Registrar in accordance with the Austraclear Regulations; and

(b) if the Notes are not held in the Austraclear System, by crediting on the Payment Date, the amount then due under each Note to an account in Australia previously notified by the Noteholder to the Issuer and the Registrar.

9.3 Payments by cheque

If a Noteholder has not notified the Registrar of an account to which payments to it must be made by close of business on the Record Date or it has notified the Registrar that it wishes to be paid by cheque, payments in respect of the Note will be made by cheque sent by prepaid post on the Payment Date, at the risk of the registered Noteholder, to the Noteholder (or if two or more persons are entered in the Register as joint Noteholders, to the first named joint Noteholder of the Note) at its address appearing in the Register at
close of business on the Record Date. Cheques sent to the nominated address of a Noteholder will be taken to have been received by the Noteholder on the Payment Date and no further amount will be payable by the Issuer in respect of the Notes as a result of the Noteholder not receiving payment on the due date.

9.4 Payments subject to law

All payments are subject to applicable law but without prejudice to the provisions of Condition 10 ("Taxation").

9.5 Payments on Business Days

If a payment:

(a) is due on a Note on a day which is not a Business Day then the due date for payment will be adjusted in accordance with the applicable Business Day Convention; or

(b) is to be made to an account on a Business Day on which banks are not open for general banking business in the place in which the account is located, then the due date for payment will be the first following day on which banks are open for general banking business in that place,

and in either case, a Noteholder is not entitled to any additional payment in respect of that delay.

9.6 Unsuccessful attempts to pay

Subject to applicable law, where the Issuer:

(a) decides that an amount is to be paid to a Noteholder by a method of direct credit and the Noteholder has not given a direction as to where amounts are to be paid by that method;

(b) attempts to pay an amount to a Noteholder by direct credit, electronic transfer of funds, cheque or any other means and the transfer is unsuccessful;

(c) has made reasonable efforts to locate a Noteholder but is unable to do so; or

(d) has issued a cheque which has not been presented within six months of its date, then the Issuer may cancel such cheque and if the Issuer has so cancelled,

then, in each case and subject to Condition 11 ("Time limit for claims"), the amount is to be held by the Issuer for the Noteholder in a non-interest bearing deposit with a bank selected by the Issuer until the Noteholder or any legal personal representative of the Noteholder claims the amount or the amount is paid by the Issuer according to the legislation relating to unclaimed moneys.

9.7 Payment to joint Noteholders

A payment to any one of joint Noteholders will discharge the Issuer’s liability in respect of the payment.
10 Taxation

10.1 No set-off, counterclaim or deductions

All payments in respect of the Notes must be made in full without set-off or counterclaim, and without any withholding or deduction in respect of Taxes, unless prohibited by law.

10.2 Withholding tax

If a law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of a Note such that the Noteholder would not actually receive on the due date the full amount provided for under the Notes, then:

(a) the Issuer agrees to deduct the amount for the Taxes; and
(b) no additional amounts are payable under these Conditions.

11 Time limit for claims

A claim against the Issuer for a payment under a Note is void unless made within 10 years (in the case of principal) or 5 years (in the case of interest and other amounts) from the date on which payment first became due.

12 Events of Default

12.1 Events of Default

Each of the following is an Event of Default in respect of the Notes:

(a) **(non-payment of principal)** the Issuer fails to pay any principal in respect of the Notes when due or, if the failure to pay on time is caused by an administrative or technical error beyond the control of the Issuer within 2 Business Days of the due date;

(b) **(non-payment of interest)** the Issuer fails to pay any interest in respect of the Notes of the relevant series when due and the failure to pay continues for a period of 2 Business Days;

(c) **(other non-compliance)** the Issuer:

(i) fails to comply with any of its obligations in connection with a Note (other than in relation to the payment of money referred to in paragraphs (a) and (b) above); and

(ii) if the non-compliance is capable of remedy, it is not remedied within 30 days after notice of such default shall have been given to the Issuer by the Trustee or any Noteholder;

(d) **(cross default)** any Financial Indebtedness of the Issuer, a Guarantor or any of its other Subsidiaries for amounts totalling more than A$2,000,000 (or its equivalent in any other currency):

(i) is not satisfied on the later of their due date or the end of any applicable grace period; or
(ii) has become (or is capable of becoming) due and payable before its scheduled maturity by reasons of a default, event of default or potential event of default (howsoever described);

(e) (insolvency) except for the purpose of a solvent reconstruction or amalgamation, an order is made or an effective resolution passed for the liquidation, dissolution or winding-up of the Issuer or any Guarantor, an administrator, liquidator, receiver, manager, receiver and manager or other controller (as defined in the Corporations Act) is appointed to the Issuer or any Guarantor or any of their property or the Issuer or any Guarantor becomes insolvent, is unable to pay its debts as they fall due, stops, suspends or threatens to stop or suspend payment of its debts generally;

(f) (no arrangement with creditors) the Issuer or any Guarantor makes a general assignment for the benefit of creditors, or any proceeding shall be instituted by or against the Issuer or a Guarantor seeking to adjudicate it insolvent, or seeking liquidation, winding up, reorganisation, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganisation or relief of debtors, seeking the entry of any order for relief or the appointment of a receiver, trustee, administrator or other similar official over the Issuer or Guarantor, its activities or any substantial part of its property;

(g) (obligations unenforceable) any Note or the Guarantee is or becomes (or is claimed to be by the Issuer, a Guarantor or anyone on their behalf) wholly or partly void, voidable or unenforceable or any Note or the Guarantee ceases to have full force and effect or its validity or enforceability is declared by any court of competent jurisdiction to be void or unenforceable;

(h) (authorisations) any authorisation of a government agency which is essential to the performance by an Issuer or a Guarantor of its obligations in respect of the Notes or the Guarantee, is repealed, revoked, terminated or expires and is not replaced by another sufficient authorisation within 30 days;

(i) (no litigation) a judgement or award in an amount exceeding A$10,000,000 (or its equivalent in any other currency) is obtained against the Issuer or a Guarantor or any of their assets and is not set aside or satisfied within 30 days unless the Issuer or the Guarantor is diligently and in good faith pursuing an appeal; and

(j) (cessation of business) the Issuer or any Guarantor ceases to carry on business generally and no other body corporate assumes the business of that person.

12.2 Consequences of an Event of Default

If an Event of Default occurs and continues unremedied in relation to the Notes, then a Noteholder or the Trustee (if requested in writing by a Noteholder) may declare by notice to the Issuer (with a copy to the Registrar and the Trustee (if notice is given by a Noteholder)) that each Note held by it is (or, if the Trustee has given the declaration, all Notes are) to be redeemed by the Issuer paying to the Noteholder the applicable redemption amount for the Note (together with any accrued interest) in which case those amounts become immediately due and payable.
12.3 Notification

If an Event of Default occurs, the Issuer must promptly (and in any event within 5 days) after becoming aware of it notify the Trustee, the Registrar and the Noteholders of the occurrence of the Event of Default (specifying details of it).

12.4 Enforcement

(a) Subject to Condition 12.4(c), at any time after the occurrence of an Event of Default, the Trustee may, either at its discretion or pursuant to a direction of Noteholders in accordance with paragraph (c)(i) below and, in either case, without further notice, institute such proceedings and/or take such other action as it may think fit against or in relation to the Issuer to enforce the Issuer’s obligations under the Notes. The Issuer shall, as a result of the bringing of any such proceedings, be obliged to pay any sums representing or measured by reference to principal or interest on the Notes sooner than the same would otherwise have been payable by it.

(b) Without prejudice to Condition 12.4(a) but subject to Condition 12.4(c), if the Issuer breaches any of its obligations under the Note Trust Deed, the Trustee may, either at its discretion or pursuant to a direction of Noteholders in accordance with paragraph (c)(i) below and, in either case, without further notice, bring such proceedings as it may think fit to enforce such obligations.

(c) Unless the Trustee, acting reasonably, forms the view that immediate steps must be taken to protect the Noteholders’ interests or to enforce the Issuer’s obligations under the Notes, it must not take any of the actions referred to in paragraphs (a) or (b) above to enforce the obligations of the Issuer in respect of the Notes or take any other enforcement action pursuant to or in connection with the Note Trust Deed or the Notes unless:

(i) it shall have been so requested in writing by Noteholders who hold in aggregate 25 per cent. or more of the outstanding principal amount of all Notes then outstanding; and

(ii) it shall have been indemnified to its satisfaction in accordance with the terms of the Note Trust Deed.

If, prior to acting on a direction received pursuant to paragraph (a), the Trustee receives further directions to take any action pursuant to this paragraph (c)(i) that are, in its reasonable opinion, materially inconsistent or conflicting in any material respect with the initial directions, the Trustee must call a meeting of Noteholders in accordance with the terms of these Conditions, the Note Trust Deed and the Meeting Provisions in order to resolve the inconsistency or conflict and shall act in accordance with any resolutions passed at that meeting or in accordance with any direction by Noteholders who hold in aggregate 50 per cent. or more of the outstanding principal amount of all Notes then outstanding.

(d) No Noteholder is entitled to proceed directly against the Issuer to enforce any right or remedy under or in respect of any Note or the Note Trust Deed unless expressly entitled to do so under these Conditions, the Note Trust Deed or the Trustee, having become bound to proceed, fails to do so within five days from the date that the Trustee is notified by a Noteholder of the failure, and such failure is continuing.
13  Agents

13.1  Role of Agents
In acting under an Agency Agreement, each Agent acts solely as agent of the Issuer and does not assume any obligations towards or relationship of agency or trust with any Noteholder.

13.2  Appointment and replacement of Agents

The Issuer (or the Agent on its behalf) must notify the Trustee and the Noteholders if there is any change in the identity of any Agent or any Agent’s Specified Office.

13.4  Required Agents
The Issuer must at all times maintain a Registrar, Issuing & Paying Agent and Calculation Agent.

14  Meetings of Noteholders
The Meetings Provisions contain provisions for convening meetings of the Noteholders of any series to consider any matter affecting their interests, including any variation of these Conditions.

15  Variation

15.1  Variation with consent
Unless Condition 15.2 (“Variation without consent”) applies, any Note may be varied by the Noteholders of the series in accordance with the Meetings Provisions.

15.2  Variation without consent
Any Condition may be amended by the Issuer with the consent of the Trustee (not to be unreasonably withheld or delayed) but without the consent of the Noteholders if the amendment:

(a) is of a formal, minor or technical nature;
(b) is made to correct a manifest error; or
(c) is made to cure any ambiguity or correct or supplement any defective or inconsistent provision,

provided that, in all cases, in the reasonable opinion of the Issuer and the Trustee, such amendment is not materially prejudicial to the interests of the Noteholders.

16  Further issues of Notes
The Issuer may from time to time, without the consent of the Noteholders, issue further Notes having the same conditions as the Notes of any series in all respects (or in all respects
except for the first payment of interest, if any, on them) so as to form a single series with the Notes of that series.

18.3 Serving documents

Without preventing any other method of service, any document in any Proceeding (including, without limitation any writ of summons or other originating process or any third or other party notice) may be served on the Issuer by being delivered or left at the Specified
