Description of the Issuer

G8 Education is a publicly listed operator of childcare and education centres. The company began in 2007 as Early Learning Services Limited, and merged in 2009 with Payce Child Care Pty Limited, becoming G8 Education Limited. Since the merger, G8 Education has established itself as a significant participant in the childcare and education sector with over 4,200 employees and over 14,000 licensed childcare places.

Principal activities

G8 Education aims to be Australia’s leading provider of high quality developmental and educational childcare services. The principal continuing activities of G8 Education is the operation of childcare and education centres.

G8 Education intends to continue to acquire childcare businesses which meet operational and investment requirements.
Sector overview

The Australian childcare and education sector is characterised by strong demand, with key demand drivers for the sector being employment levels, the female participation rate, growth in the population of young Australians and real disposable household income. Improvements in all four of these metrics have been seen over the last five years in Australia.

According to IBISWorld, revenue for the childcare sector has grown at 5.3% per annum for the period from 2008 to 2013, bolstered by an increase in government support in 2008/2009. Government supports the childcare sector through two key subsidies: the Child Care Rebate and the Child Care Benefit. The Child Care Rebate pays 50% of childcare costs up to a cap of A$7,500 per child, while the Child Care Benefit provides further support, subject to means testing.

Goodstart Early Learning Ltd (ACN 139 967 794) is the largest participant with approximately 12.57% of the market share, while G8 Education is the second largest with approximately 3%. This low level of ownership concentration has enabled G8 Education to be highly selective in targeting potential businesses for acquisition.

Portfolio

G8 Education has consistently expanded to its portfolio of childcare centres through a highly disciplined and selective acquisition strategy. G8 Education operates a multi-brand strategy with brands, including Community Kids, World of Learning, Kindy Patch, Headstart Early Learning Centres and Early Learning Services.

2 Introduction

2.1 Pricing Supplement

(a) The Issuer will issue the Notes on the terms set out in these Conditions as supplemented, amended, modified or replaced by the Pricing Supplement applicable to those Notes. If there is any inconsistency between these Conditions and such Pricing Supplement, the Pricing Supplement prevails.
(b) The Notes are issued in a single series. The series may comprise one or more Tranches having one or more Issue Dates and on conditions otherwise identical (other than in respect of the issue price and first payment of interest). A Tranche is the subject of a Pricing Supplement which supplements, amends, modifies or replaces these Conditions.

(c) Copies of the Pricing Supplement and Conditions applicable to any Tranche of Notes are available for inspection or on request by a Noteholder or prospective Noteholder during normal business hours at the Specified Office of the Issuer, the Trustee or the Registrar or are otherwise available on reasonable request from the Issuer.

2.2 Currency and denomination

The Notes are issued in Australian dollars in a single denomination of A$1,000.

2.3 Issue restrictions and tenor

The Notes may only be offered (directly or indirectly) for issue, or applications invited for the issue of Notes, if:

(a) the aggregate consideration payable by each offeree is at least A$500,000 (or its equivalent in an alternative currency and, in each case, disregarding moneys lent by the offeror or its associates to the offeree or its associates) or if the offer or invitation (including any resulting issue) otherwisc does not require disclosure to investors under Part 6D.2 or Chapter 7 of the Corporations Act; and

(b) the offer or invitation (including any resulting issue) complies with all other applicable laws and directives in the jurisdiction in which the offer, invitation or issue takes place.

2.4 Clearing systems

Notes may, but need not, be held in the Austraclear System, in which case the rights of a person holding an interest in the Notes lodged in the Austraclear System are subject to the rules and regulations of the Austraclear System.

3 Form

3.1 Constitution under the Note Trust Deed

The Notes are debt obligations of the Issuer constituted by, and owing under, the Note Trust Deed.

3.2 Form

The Notes are issued in registered form by entry in the Register.

3.3 No certificates

No certificates will be issued to Noteholders unless the Issuer determines that certificates should be available or if certificates are required by any applicable law or directive.

3.4 Effect of entries in Register

Each entry in the Register in respect of a Note constitutes:
(a) an unconditional and irrevocable undertaking by the Issuer to the Trustee and the Noteholder to:

(i) pay principal, any interest and any other amount in accordance with these Conditions and the Note Trust Deed; and

(ii) comply with all other Conditions of the Note and the Note Trust Deed; and

(b) an entitlement to the other benefits given to the Noteholder in respect of the Note under these Conditions and the Note Trust Deed.

3.5 Register conclusive as to ownership

Entries in the Register in relation to a Note constitute conclusive evidence that the person so entered is the absolute owner of the Note subject to correction for fraud or error.

3.6 Non-recognition of interests

Except as ordered by a court of competent jurisdiction or required by law or directive, the Issuer, the Trustee and the Registrar must treat the person whose name is entered in the Register as the Noteholder of a Note as the absolute owner of that Note. This Condition applies whether or not a Note is overdue and despite any notice of ownership, trust or interest in the Note.

3.7 Joint Noteholders

Where two or more persons are entered in the Register as the joint holder of a Note then they are taken to hold the Note as joint tenants with rights of survivorship, but the Registrar is not bound to register more than four persons as joint holders of a Note.

4 Status and Guarantee

4.1 Status of Notes

The Notes are direct, senior, unsubordinated and (subject to Condition 5.1 ("Negative pledge")) unsecured obligations of the Issuer.

4.2 Ranking of Notes

The Notes rank equally among themselves and at least equally with all other direct, unsubordinated and unsecured obligations of the Issuer, except for liabilities mandatorily preferred by law.

4.3 Guarantee

The Notes are issued with the benefit of the Guarantee. Pursuant to the Guarantee, each Guarantor unconditionally and irrevocably guarantees to the Noteholders, among other things, the due and punctual performance by the Issuer of its obligations under the Notes.

5 Negative pledge and financial and other covenants

5.1 Negative pledge

(a) Subject to paragraph (b) below, the Issuer will not (and will ensure that any Guarantor will not) create or permit to subsist any Security Interest upon the whole or any part of its (or the Guarantor’s) present or future assets or revenues other than a Permitted Security Interest.
(b) The Issuer or a Guarantor may create or permit to subsist a Security Interest (which is not a Permitted Security Interest) or a Security Interest may also be created or permitted to exist if, at the same time, either the same Security Interest as is granted by the Issuer or a Guarantor or such other security:

(i) securing the Issuer’s or Guarantor’s obligations to the Noteholders, equally and rateably in all respects so as to rank pari passu with the applicable Security Interest; or

(ii) as shall be approved by the Noteholders pursuant to the Meeting Provisions,

is also granted in favour of the Noteholders in a manner that is satisfactory to the Trustee.

5.2 Financial covenants

(a) The Issuer will not (and will ensure that any Guarantor will not) incur or permit to subsist any new Financial Indebtedness after the Issue Date, unless, after giving pro-forma effect to the incurrence of such Financial Indebtedness and the application of the proceeds thereof, the Interest Cover Ratio is greater than 3.50:1.

(b) The Issuer will not (and will ensure that any Guarantor will not) declare or pay any dividend or make any other payment or distribution having the same effect (“Distribution”), or reduce, return, purchase, repay, cancel or redeem any of its share capital or buy back any of its shares (“Capital Reduction”) under Chapter 2J of the Corporations Act (or an equivalent provision under any legislation in another jurisdiction applicable to that Guarantor) except:

(i) where the recipient of the proceeds of such Distribution or Capital Reduction is the Issuer or a Guarantor; or

(ii) where the source of the funds to effect such Distribution or Capital Reduction has not been raised by way of Financial Indebtedness (or in a transaction or series of transactions having substantially the same effect), provided that, in any case, such Distribution is no greater than an amount lawfully permitted under applicable law.

So long as an Event of Default is subsisting, the Issuer will not declare or pay a dividend or make any Distribution on any issued share in the Issuer, or pay any interest or other amounts in respect of any debt security issued which ranks behind the Notes in priority for payment of interest.

(c) The Issuer will ensure that it will not (and will ensure that any Guarantor will not) (whether in a single transaction or a series of related transactions) sell, transfer, lease, or otherwise dispose of, or create or allow to exist an interest in all or a material part of its assets or the assets of a Guarantor, other than:

(i) disposals, partings with possession and interests created (including sub-leases):

(A) in the ordinary course of business at arm’s length and on arm’s length commercial terms;
(B) where the asset are waste, obsolete and are not required for the
efficient operation of its business;

(C) in exchange for other assets comparable or superior as to type,
value and quality; or

(D) from the Issuer or a Guarantor to each other; and

(ii) where an amount equal to the net proceeds of the disposal is used within
180 days after such disposal to:

(A) purchase, acquire, develop, redevelop or construct productive
assets for use by the Issuer or a Guarantor in its business; and/or

(B) prepay or repay any secured or unsecured Financial Indebtedness of
the Issuer or a Guarantor.

(d) The Issuer:

(i) will ensure that, at all times, the consolidated total assets of the Issuer and
the Guarantors (taken as a whole) are at least 90 per cent. of the
consolidated total assets of the Group taken as a whole; or

(ii) agrees to cause such of its Subsidiaries to become a Guarantor pursuant to
the Note Trust Deed to ensure that, at all times, the consolidated total
assets of the Issuer and the Guarantors (taken as a whole) are at least 90
per cent. of the consolidated total assets of the Group taken as a whole.

5.3 Other covenants

(a) The Issuer will (and will ensure that each Guarantor will) do everything necessary to
maintain its corporate existence.

(b) The Issuer will comply (and will ensure that each Guarantor complies) with all laws
(including any laws relating to the environment) binding on it where a failure to
comply would have a material adverse effect on the ability of the Issuer or a
Guarantor (as the case may be) to comply with its obligations under the Notes or
the Guarantee.

(c) The Issuer will provide the following to the Trustee not later than 45 days after each
applicable Test Date a certificate signed by either two directors or a director and the
company secretary of the Issuer which certifies whether, in the opinion of the
directors and/or the company secretary of the Issuer (as appropriate) and after
having made all reasonable enquiries, the Issuer has complied with each of the
covenants set out in Conditions 5.1 (“Negative pledge”), 5.2 (“Financial covenants”),
5.3(a) and 5.3(b) above. In the event the Issuer is not in compliance with any such
covenant, such certificate will give reasonable detail of such non-compliance
(including any relevant figures and calculations) and the steps being taken to
remedy the same.

(d) At the request of the Trustee (acting either on its own discretion or upon receipt of
a written request of a Noteholder) the Issuer will provide (at its own cost), any
document or other information that the Trustee may reasonably request that is
necessary or desirable to allow the Trustee or a Noteholder to determine whether
or not the Issuer is in compliance with each of the covenants set out in Conditions 5.2 (“Financial covenants”), 5.3(a) and 5.3(b) above.

6.4 Estates
A person becoming entitled to a Note as a consequence of the death or bankruptcy of a Noteholder or of a vesting order or a person administering the estate of a Noteholder may, upon producing such evidence as to that entitlement or status as the Registrar considers sufficient, transfer the Note or, if so entitled, become registered as the holder of the Note.

6.5 Unincorporated associations
A transfer of a Note to an unincorporated association is not permitted.

6.6 Transfer of unidentified Notes
Where the transferor executes a transfer of less than all Notes registered in its name, and the specific Notes to be transferred are not identified, the Registrar may register the transfer in respect of such of the Notes registered in the name of the transferor as the Registrar thinks fit, provided the aggregate principal amount of all the Notes registered as having been transferred equals the aggregate principal amount of all the Notes expressed to be transferred in the transfer.

6.7 Compliance with law
Notes may only be transferred if:

(a) the aggregate consideration payable by each offeree is at least A$500,000 (or its equivalent in an alternative currency and, in each case, disregarding moneys lent by the offeror or its associates to the offeree or its associates) or if the offer or invitation (including any resulting issue) otherwise does not require disclosure to investors under Part 6D.2 or Chapter 7 of the Corporations Act; and

(b) the offer or invitation (including any resulting issue) complies with all other applicable laws and directives in the jurisdiction in which the offer, invitation or issue takes place.

6.8 Restrictions on transfer

(a) Transfers of Notes which are not lodged in the Austraclear System cannot be made between a Record Date and the relevant following Payment Date if a redemption of
such Note is to occur during, or at the end of, that period in accordance with these Conditions.

(b) Transfers of Notes will not be registered later than the close of business in the place where the Register is maintained on the eighth day prior to the Maturity Date of the applicable Notes.

7 Interest

7.1 Interest

Each Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date or, if redeemed earlier, the Optional Redemption Date, at the Interest Rate. Interest is payable in arrear on each Interest Payment Date or such other date on which a Note is redeemed.

7.2 Fixed Coupon Amount

The amount of interest payable on each Note on each scheduled Interest Payment Date in respect of the preceding Interest Period is the Fixed Coupon Amount unless interest is due on a date that is otherwise than a scheduled Interest Payment Date, in which case Condition 7.3 (“Calculation of interest payable”) shall apply to calculate the amount of interest payable for that period.

7.3 Calculation of interest payable

The amount of interest payable in respect of a Note for any period which does not end on a scheduled Interest Payment Date shall be calculated by the Calculation Agent by multiplying the Interest Rate, the outstanding principal amount of the Note and the Day Count Fraction.

7.4 Notification of Interest Rate, interest payable and other items

(a) The Calculation Agent must notify the Issuer, the Registrar, the Noteholders, the Trustee and each other Agent of the amount of interest calculated or determined by it under Condition 7.3 (“Calculation of interest payable”).

(b) The Calculation Agent must give notice under this Condition as soon as practicable after making its determination.

(c) The Calculation Agent may amend its determination of any amount, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period or calculation period without prior notice but must notify the Issuer, the Registrar, the Noteholders, the Trustee and each other Agent of any such amendment.

7.5 Determination final

The determination by the Calculation Agent of all amounts, rates and dates falling to be determined by it under these Conditions is, in the absence of fraud or manifest error, final and binding on the Issuer, the Guarantors, the Registrar, each Noteholder, the Trustee and each other Agent.
7.6 Rounding

For the purposes of any calculations required under these Conditions (unless otherwise specified in the Pricing Supplement):

(a) all percentages resulting from the calculations must be rounded to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.);

(b) all figures must be rounded to five decimal places (with halves being rounded up); and

(c) all amounts that are due and payable must be rounded (with halves being rounded up) to one cent.

8 Redemption

8.1 Redemption on maturity

The Issuer agrees to redeem each Note on its Maturity Date at its outstanding principal amount unless:

(a) the Note has been previously redeemed; or

(b) the Note has been purchased and cancelled.

8.2 Early redemption at the option of Noteholders (Noteholder put)

Upon the occurrence of a Change of Control, each Noteholder will have the right to require the Issuer to redeem all or any part of such Notes at a redemption price equal to 101 per cent. of the outstanding principal amount of each Note being redeemed (together with any accrued interest, if any, to the date of redemption) (the “Change of Control Redemption Price”). Within 30 days of following a Change of Control, the Issuer shall deliver a notice to the Registrar and the Trustee and use its reasonable endeavours to ensure that the Trustee promptly notifies Noteholders stating that:

(a) a Change of Control has occurred and that such Noteholder has the right to require the Issuer to redeem such Notes at the Change of Control Redemption Price;

(b) the redemption date (which shall be no earlier than 30 days nor later than 50 days from the date of such notice is delivered); and

(c) the procedures determined by the Issuer, consistent with terms and conditions of the Notes, that a Noteholder must follow in order to have its Notes redeemed.

In this Condition, “Change of Control” means an event where a party which has voting power (as that term is defined in the Corporations Act) in respect of the Issuer of 50 per cent. or less at the date of the Notes are issued obtains voting power of more than 50 per cent., but will not include the following circumstances:

(i) where some or all of the increase in voting power arises from an agreement that is conditional; or

(ii) where the increase in voting power arises because of a relevant interest that a person has under section 608(3)(a) of the Corporations Act.
8.3 **Early redemption at the option of the Issuer (Issuer call)**

The Issuer may redeem all or some of the Notes before their Maturity Date as follows:

(a) on a First Optional Redemption Date by payment of 103 per cent. of the outstanding principal amount of each Note being redeemed;

(b) on a Second Optional Redemption Date by payment of 102 per cent. of the outstanding principal amount of each Note being redeemed; and

(c) on a Third Optional Redemption Date by payment of 101 per cent. of the outstanding principal amount of each Note being redeemed.

However, the Issuer may only do so if:

(i) the amount of Notes to be redeemed is a whole multiple of their Denomination; and

(ii) the Issuer has given at least 30 days (and not more than 60 days) notice to the Registrar, the Trustee, the Noteholders and each other Agent.

8.4 **Partial redemptions**

If only some of the Notes are to be redeemed under Condition 8.3 (“Early redemption at the option of the Issuer (Issuer call”)”), the Notes to be redeemed will be specified in the notice and selected:

(a) in a fair and reasonable manner; and

(b) in compliance with any applicable law, directive or requirement of any stock exchange or other relevant authority on which the Notes are listed.

8.5 **Effect of notice of redemption**

Any notice of redemption given under this Condition 8 (“Redemption”) is irrevocable.

8.6 **Late payment**

If an amount payable is not paid under this Condition 8 (“Redemption”) when due, then interest continues to accrue on the unpaid amount (both before and after any demand or judgment) at the default rate specified in the Pricing Supplement (or, if no default rate is specified, the last applicable Interest Rate) until the date on which payment is made to the Noteholder.

8.7 **Purchase**

The Issuer and any of its Related Bodies Corporate may at any time purchase Notes in the open market or otherwise and at any price. Notes purchased under this Condition 8.7 may be held, resold or cancelled at the discretion of the purchaser and (if the Notes are to be cancelled, the Issuer), subject to compliance with any applicable law or directive.

9 **Payments**

9.1 **Payments to Noteholders**

(a) Payments of principal will be made to each person registered in the Register at 10.00 am on the applicable Payment Date as the holder of a Note;
9.2 Payments to accounts

Payments in respect of a Note will be made:

(a) if the Note is held in the Austraclear System, by crediting on the Payment Date, the amount due to:
   (i) the account of Austraclear (as the Noteholder) previously notified to the Issuer and the Registrar; or
   (ii) if requested by Austraclear, the accounts of the persons in Australia in whose Security Record (as defined in the Austraclear Regulations) a Note is recorded as previously notified by Austraclear to the Issuer and the Registrar in accordance with the Austraclear Regulations; and

(b) if the Notes are not held in the Austraclear System, by crediting on the Payment Date, the amount then due under each Note to an account in Australia previously notified by the Noteholder to the Issuer and the Registrar.

9.3 Payments by cheque

If a Noteholder has not notified the Registrar of an account to which payments to it must be made by close of business on the Record Date or it has notified the Registrar that it wishes to be paid by cheque, payments in respect of the Note will be made by cheque sent by prepaid post on the Payment Date, at the risk of the registered Noteholder, to the Noteholder (or if two or more persons are entered in the Register as joint Noteholders, to the first named joint Noteholder of the Note) at its address appearing in the Register at close of business on the Record Date. Cheques sent to the nominated address of a Noteholder will be taken to have been received by the Noteholder on the Payment Date and no further amount will be payable by the Issuer in respect of the Notes as a result of the Noteholder not receiving payment on the due date.

9.4 Payments subject to law

All payments are subject to applicable law but without prejudice to the provisions of Condition 10 ("Taxation").

9.5 Payments on Business Days

If a payment:

(a) is due on a Note on a day which is not a Business Day then the due date for payment will be adjusted in accordance with the applicable Business Day Convention; or

(b) is to be made to an account on a Business Day on which banks are not open for general banking business in the place in which the account is located, then the due date for payment will be the first following day on which banks are open for general banking business in that place,

and in either case, a Noteholder is not entitled to any additional payment in respect of that delay.
9.6 **Unsuccessful attempts to pay**

Subject to applicable law, where the Issuer:

(a) decides that an amount is to be paid to a Noteholder by a method of direct credit and the Noteholder has not given a direction as to where amounts are to be paid by that method;

(b) attempts to pay an amount to a Noteholder by direct credit, electronic transfer of funds, cheque or any other means and the transfer is unsuccessful;

(c) has made reasonable efforts to locate a Noteholder but is unable to do so; or

(d) has issued a cheque which has not been presented within six months of its date, then the Issuer may cancel such cheque and if the Issuer has so cancelled, then, in each case and subject to Condition 11 (“Time limit for claims”), the amount is to be held by the Issuer for the Noteholder in a non-interest bearing deposit with a bank selected by the Issuer until the Noteholder or any legal personal representative of the Noteholder claims the amount or the amount is paid by the Issuer according to the legislation relating to unclaimed moneys.

9.7 **Payment to joint Noteholders**

A payment to any one of joint Noteholders will discharge the Issuer’s liability in respect of the payment.

10 **Taxation**

10.1 **No set-off, counterclaim or deductions**

All payments in respect of the Notes must be made in full without set-off or counterclaim, and without any withholding or deduction in respect of Taxes, unless prohibited by law.

10.2 **Withholding tax**

If a law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of a Note such that the Noteholder would not actually receive on the due date the full amount provided for under the Notes, then:

(a) the Issuer agrees to deduct the amount for the Taxes; and

(b) no additional amounts are payable under these Conditions.

11 **Time limit for claims**

A claim against the Issuer for a payment under a Note is void unless made within 10 years (in the case of principal) or 5 years (in the case of interest and other amounts) from the date on which payment first became due.
12 Events of Default

12.1 Events of Default

Each of the following is an Event of Default in respect of the Notes:

(a) (non-payment of principal) the Issuer fails to pay any principal in respect of the Notes when due or, if the failure to pay on time is caused by an administrative or technical error beyond the control of the Issuer within 2 Business Days of the due date;

(b) (non-payment of interest) the Issuer fails to pay any interest in respect of the Notes of the relevant series when due and the failure to pay continues for a period of 2 Business Days;

(c) (other non-compliance) the Issuer:

(i) fails to comply with any of its obligations in connection with a Note (other than in relation to the payment of money referred to in paragraphs (a) and (b) above);

(ii) if the non-compliance is capable of remedy, it is not remedied within 30 days after notice of such default shall have been given to the Issuer by the Trustee or any Noteholder; and

(iii) the action is permitted under these Conditions and the Note Trust Deed;

(d) (cross default) any Financial Indebtedness of the Issuer, a Guarantor or any of its other Subsidiaries for amounts totalling more than A$2,000,000 (or its equivalent in any other currency):

(i) is not satisfied on the later of their due date or the end of any applicable grace period; or

(ii) has become (or is capable of becoming) due and payable before its scheduled maturity by reasons of a default, event of default or potential event of default (howsoever described);

(e) (insolvency) except for the purpose of a solvent reconstruction or amalgamation, an order is made or an effective resolution passed for the liquidation, dissolution or winding-up of the Issuer or any Guarantor, an administrator, liquidator, receiver, manager, receiver and manager or other controller (as defined in the Corporations Act) is appointed to the Issuer or any Guarantor or any of their property or the Issuer or any Guarantor becomes insolvent, is unable to pay its debts as they fall due, stops, suspends or threatens to stop or suspend payment of its debts generally;

(f) (no arrangement with creditors) the Issuer or any Guarantor shall make a general assignment for the benefit of creditors, or any proceeding shall be instituted by or against the Issuer or Guarantor seeking to adjudicate it insolvent, or seeking liquidation, winding up, reorganisation, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganisation or relief of debtors, seeking the entry of any order for relief or the appointment of a receiver, trustee, administrator or other similar official over the Issuer or Guarantor, its activities or any substantial part of its property;
(g) (obligations unenforceable) any Note or the Guarantee is or becomes (or is claimed to be by the Issuer, a Guarantor or anyone on their behalf) wholly or partly void, voidable or unenforceable or any Note or the Guarantee ceases to have full force and effect or its validity or enforceability is declared by any court of competent jurisdiction to be void or unenforceable;

(h) (authorisations) any authorisation of a government agency which is essential to the performance by an Issuer or a Guarantor of its obligations in respect of the Notes or the Guarantee, is repealed, revoked, terminated or expires and is not replaced by another sufficient authorisation within 30 days;

(j) (cessation of business) the Issuer or any Guarantor ceases to carry on business generally and no other body corporate assumes the business of that person.

12.2 Consequences of an Event of Default

If an Event of Default occurs and continues unremedied in relation to the Notes, then a Noteholder or the Trustee (if requested in writing by a Noteholder) may declare by notice to the Issuer (with a copy to the Registrar and the Trustee (if notice is given by a Noteholder)) that each Note held by it is (or, if the Trustee has given the declaration, all Notes are) to be redeemed by the Issuer paying to the Noteholder the applicable redemption amount for the Note (together with any accrued interest) in which case those amounts become immediately due and payable.

12.3 Notification

If an Event of Default occurs, the Issuer must promptly (and in any event within 5 days) after becoming aware of it notify the Trustee, the Registrar and the Noteholders of the occurrence of the Event of Default (specifying details of it).

12.4 Enforcement

(a) Subject to Condition 12.4(c), at any time after the occurrence of an Event of Default, the Trustee may, either at its discretion or pursuant to a direction of Noteholders in accordance with paragraph (c)(i) below and, in either case, without further notice, institute such proceedings and/or take such other action as it may think fit against or in relation to the Issuer to enforce the Issuer’s obligations under the Notes. The Issuer shall, as a result of the bringing of any such proceedings, be obliged to pay any sums representing or measured by reference to principal or interest on the Notes sooner than the same would otherwise have been payable by it.

(b) Without prejudice to Condition 12.4(a) but subject to Condition 12.4(c), if the Issuer breaches any of its obligations under the Note Trust Deed, the Trustee may, either at its discretion or pursuant to a direction of Noteholders in accordance with paragraph (c)(i) below and, in either case, without further notice, bring such proceedings as it may think fit to enforce such obligations.
(c) Unless the Trustee, acting reasonably, forms the view that immediate steps must be taken to protect the Noteholders’ interests or to enforce the Issuer’s obligations under the Notes, it must not take any of the actions referred to in paragraphs (a) or (b) above to enforce the obligations of the Issuer in respect of the Notes or take any other enforcement action pursuant to or in connection with the Note Trust Deed or the Notes unless:

(i) it shall have been so requested in writing by Noteholders who hold in aggregate 25 per cent. or more of the outstanding principal amount of all Notes then outstanding; and

(ii) it shall have been indemnified to its satisfaction in accordance with the terms of the Note Trust Deed.

If, prior to acting on a direction received pursuant to paragraph (a), the Trustee receives further directions to take any action pursuant to this paragraph (c)(i) that are, in its reasonable opinion, materially inconsistent or conflicting in any material respect with the initial directions, the Trustee must call a meeting of Noteholders in accordance with the terms of these Conditions, the Note Trust Deed and the Meeting Provisions in order to resolve the inconsistency or conflict and shall act in accordance with any resolutions passed at that meeting or in accordance with any direction by Noteholders who hold in aggregate 50 per cent. or more of the outstanding principal amount of all Notes then outstanding.

(d) No Noteholder is entitled to proceed directly against the Issuer to enforce any right or remedy under or in respect of any Note or the Note Trust Deed unless expressly entitled to do so under these Conditions, the Note Trust Deed or the Trustee, having become bound to proceed, fails to do so within five days from the date that the Trustee is notified by a Noteholder of the failure, and such failure is continuing.

(c) is made to cure any ambiguity or correct or supplement any defective or inconsistent provision,

provided that, in all cases, in the reasonable opinion of the Issuer and the Trustee, such amendment is not materially prejudicial to the interests of the Noteholders.

16 Further issues of Notes
The Issuer may from time to time, without the consent of the Noteholders, issue further Notes having the same conditions as the Notes of the series in all respects (or in all respects except for the first payment of interest, if any, on them) so as to form a single series with any existing Notes.
